DOE REVIEW COMMENT TRANSMITTAL OF JUNE 30, 1988

Attn R D Reed

Enclosed are responses and documentation regarding the DOE comments received on the Phase II Remedial Investigation Work Plan for Medium Priority Sites, Landfill Closure Plan, and TRU Mixed Waste Part B Permit Application Sections I and C

Please be aware that since these comments were received by the Rockwell International RCRA/CERCLA group after submission of final versions of these documents to DOE, Colorado Department of Health (CDH) and Environmental Protection Agency (EPA), all comments were not addressed in the final versions of these documents. These comments will be addressed when these documents are next revised or updated.
